## PROFILE

Motivated and detail-oriented professional with excellent communication, writing, and digital content skills developed through academic projects, customer-facing roles, and over seven years of experience in digital marketing and sales. Experienced in creating engaging online content, conducting research, executing data-driven marketing campaigns, and building brand visibility while improving customer acquisition and retention. Additionally, two years of hands-on experience contributing to AI training projects through data annotation, content evaluation, proofreading, and content refinement. A fast learner with strong analytical, organisational, and problem-solving skills interested in opportunities related to digital content, AI training, data annotation, marketing support, or customer engagement.
